

Think Sheet

Traffic Flagging

- * Properly trained, certified and physically capable personnel.
- * Proper clothing and personal protective equipment.
 - * Hardhat * High visibility vest * Sturdy, insulated footwear
 - * Appropriate shirt and long pants * Raincoat * Safety glasses
- * Proper equipment:
 - * Stop/Slow paddle * Food and drinking water * First-aid supplies
 - * Traffic cones * Suitable signs and barricades * Pencil and note pad
- * Rules of Conduct:
 - * Be clearly visible.
 - * Never turn your back on traffic.
 - * Choose a location that provides the greatest color contrast between you and the background.
 - * Stand alone and never in the shade.
 - * Establish a crew emergency warning signal.
 - * Plan an escape route.
 - * Be courteous and professional.
 - * Avoid unnecessary conversation.
 - * Remain at your flagging station, until properly relieved.
 - * Cover, turn or remove warning signs, when they are no longer required.
 - * Exercise extreme caution if flagging after the hours of darkness.
